Etched In Time™

"A Timeless Masterpiece in Every Sense of the Word."

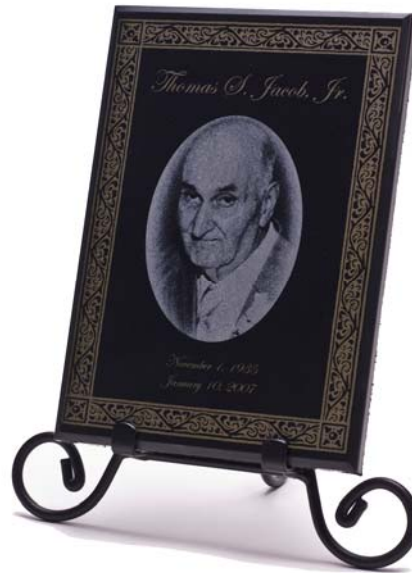

This work of art is a computer generated high tech laser etching which incorporates delicate details of an artist's hand to create a spectacular keepsake. Your loved one's photograph, name, date of birth, date of death and special prayer, poem or emblem is engraved on to a high polished black marble plaque. This plaque is 8"x 6" and can be beautifully displayed on an easel indoors on a mantle, dresser, coffee table or desk. The top and four sides are high polished along with a felt backing. This is truly a unique keepsake designed to withstand all of time. There is no higher honor to your loved one than to be **Etched in Time™** for all future generations to see!
